The Dewan of Mysore

Sir,

I have the honor to report that the building in which the Deputy Amildar of Channapatam essentially wanted for his office, being too small, and in addition, it requires immediate repairs. I would therefore propose that as the Travellers' Bungalow at that place is not much frequented now that the Rail is open, it should be handed over to the Deputy Amildar as his office, reserving one side room for any Travellers that may happen to come.

2 There would be then no necessity for some of the servants kept there, and the services of the Kutwal, Mutty
